Agarwood Clay Peppermint Face And Body Scrub

Our Products - Cosmetics

Agarwood Face Mist

A good facial mist can keep your makeup looking glowy throughout the day and helps to keep your skin hydrated.

Agarwood Face Serum

A Face serums are lightweight moisturizers that penetrate deeper to deliver active using a serum regularly can give your skin a firmer, smoother texture, make pores appear smaller and increase moisture levels.

Our Products - Toiletries

Agarwood Perfume

Agarwood Perfume EDP Femme was inspired by the independent spirit of a woman as she pauses to indulge in the simple moments in life; a walk home at dawn, the sun on her skin, the touch of a flower.

Our Products - Toiletries

Agarwood Face Soap

Agarwood Honey Soap

Absorbs moisture from the air. Humectants are used in cosmetic products to help moisturize and smooth the skin. Honey does that naturally.

Our Products - Toiletries

Agarwood Hair Shampoo and Conditioner

Certified organic peppermint, rosemary and green tea remove impurities from scalp. Hair will be visibly thicker and fuller with continued use.

Agarwood Face and

Household - Agarwood Bakhoor

Agarwood Bakhoor

Specially formulated using Malaysia Agarwood tree. A must for every household in Middle East. Refresh your day, brings positive aura to your family. Exclusive product from far east exotic rainforest tree.

Plantation - Inoculant

Inoculant For Agarwood Tree

As an industry changing product, our inoculation product has been proven to boost the production of Agarwood resin. It promotes an agarwood tree to produce resin as fast as three months. The resin quality has been tested. The resin is recognised as high quality, nearly match the quality of the resin produced by wild Agarwood tree in the wild forest.
